Own glasspresentation  
Opening of the summer street  
festival „design on the rocks“ at  
Wexstrasse, Hamburg, 2007

grape-strip

„What is pleasure?“

Please watch a  
ceremony of pleasure!

## grape-strip

### concept

Peeling a grapefruit in a most pleasurable way. Slowly, step by step each tool takes off another skin, until the naked pink flesh appears. Extremely delicious!

### workshop

Observing own secret habits and rituals and then creating an object of pleasure!  
A short term project with Ana Mir from Barcelona. 2003

### material

Dissection set: wood  
Fruit: ripe grape-fruit
